**ПОЛОЖЕНИЕ****О ПРИРОДНОМ ПАРКЕ "ШАРКАН"**

Список изменяющих документов

(в ред. постановлений Правительства УР от 23.03.2015 N 123,  
от 19.07.2018 N 298, от 03.04.2019 N 131)

**I. Общие положения**

1. Природный парк "Шаркан" (далее - природный парк) расположен на территории Шарканского района Удмуртской Республики.

2. Природный парк является особо охраняемой природной территорией регионального значения, в границах которой выделены зоны, имеющие экологическое (природоохранное), культурное и рекреационное назначение, и соответственно этому настоящим Положением в соответствии с законодательством установлены запреты и ограничения экономической и иной деятельности.

3. Запрещается изменение целевого назначения земельных участков, находящихся в границах природного парка, за исключением случаев, предусмотренных федеральными законами.

4. Общая площадь природного парка - 16566,65 га.

5. Границы природного парка определены в местной системе координат, принятой для Удмуртской Республики (МСК-18), и представлены в приложении 1 к настоящему Положению.

Границы и особенности режима особой охраны природного парка учитываются при разработке планов и перспектив экономического и социального развития, лесохозяйственных регламентов и проектов освоения лесов, подготовке документов территориального планирования, проведении лесоустройства и охотустройства.

6. Управление природным парком и выполнение задач, возложенных на природный парк, а также выдачу разрешений на добычу охотничьих ресурсов, биотехнические мероприятия, мероприятия по защите охотничьих ресурсов от болезней, предупреждению гибели охотничьих ресурсов при осуществлении сельскохозяйственной и иной производственной деятельности в границах природного парка осуществляет бюджетное учреждение Удмуртской Республики "Природный парк "Шаркан".

(п. 6 в ред. постановления Правительства УР от 19.07.2018 N 298)

7. Природный парк находится в ведении Министерства природных ресурсов и охраны окружающей среды Удмуртской Республики и финансируется за счет средств бюджета Удмуртской Республики и других источников, не запрещенных законодательством.

## **II. Задачи природного парка**

8. Задачами природного парка являются:

1) сохранение природных ландшафтов, коренных растительных сообществ с неморальными реликтовыми растительными комплексами;

2) сохранение биологического разнообразия, редких и исчезающих видов растений и животных, занесенных в Красную книгу Удмуртской Республики;

3) проведение научных исследований;

4) экологическое просвещение, образование и воспитание населения, развитие познавательного и экологического туризма.

## **III. Режим особой охраны территории природного парка**

9. На территории природного парка запрещается деятельность, влекущая за собой изменение исторически сложившегося природного ландшафта, снижение или уничтожение экологических, эстетических и рекреационных качеств природного парка, нарушение режима содержания памятников истории и культуры, в том числе:

геологическое изучение недр, разработка месторождений полезных ископаемых, выполнение иных работ, связанных с пользованием недрами (за исключением добычи питьевых подземных вод в целях хозяйственно-питьевого водоснабжения сельских населенных пунктов и случаев, установленных статьей 19 Закона Российской Федерации от 21 февраля 1992 года N 2395-1 "О недрах");

(в ред. постановления Правительства УР от 03.04.2019 N 131)

проведение выборочных и сплошных рубок лесных насаждений, за исключением случаев, связанных с вырубкой погибших и поврежденных лесных насаждений, а также размещением линейных объектов и гидротехнических сооружений;

заготовка живицы;

самовольная рубка подроста хвойных пород деревьев;

сбор и заготовка объектов растительного мира, занесенных в Красную книгу Удмуртской Республики;

предоставление земельных участков вне границ населенных пунктов для индивидуального жилищного строительства, а также для садоводства и огородничества;

строительство магистральных дорог, трубопроводов, а также строительство и эксплуатация хозяйственных и жилых объектов, за исключением объектов туристской индустрии, информационных центров (визит-центров) и объектов, связанных с функционированием природного парка и с обеспечением функционирования расположенных в его границах населенных пунктов;

промысловая охота и промышленное рыболовство;

любительская и спортивная охота с собаками охотничьих пород;

интродукция живых организмов в целях их акклиматизации;

пускание палов, выжигание растительности;

создание объектов размещения отходов производства и потребления, радиоактивных, химических, взрывчатых, токсичных, отравляющих и ядовитых веществ;

мойка транспортных средств на берегах водных объектов;

применение ядохимикатов, минеральных удобрений, химических средств защиты растений и стимуляторов роста (за исключением земельных участков, используемых их собственниками, владельцами и пользователями для производства сельскохозяйственной продукции);  
(в ред. постановления Правительства УР от 03.04.2019 N 131)

проезд и стоянка автотранспортных средств вне существующих дорог и специально предусмотренных для этого мест (кроме случаев, связанных с охраной, обеспечением режима и выполнением задач природного парка, проведением биотехнических и лесохозяйственных мероприятий, мероприятий по охране, защите и воспроизводству лесов, проездом автотранспортных средств землевладельцев, землепользователей, собственников и арендаторов земельных участков к участкам, находящимся в их владении, пользовании, собственности или аренде и расположенным в границах природного парка);  
(в ред. постановления Правительства УР от 03.04.2019 N 131)

передвижение на снегоходах по территории заповедной и заказной зон природного парка, за исключением случаев, связанных с обеспечением режима особой охраны территории природного парка, проведением необходимых лесохозяйственных и биотехнических мероприятий;  
(абзац введен постановлением Правительства УР от 19.07.2018 N 298)

уничтожение и повреждение аншлагов и других информационных знаков и указателей, оборудованных экологических троп и мест отдыха;

иные виды деятельности, влекущие за собой снижение экологической ценности территории природного парка или причиняющие вред охраняемым объектам растительного и животного мира и среде их обитания.

Строительство, реконструкция, ремонт и эксплуатация хозяйственных и жилых объектов, в том числе линейных объектов (дорог, трубопроводов, линий электропередачи, других линейных объектов) и сооружений, связанных с функционированием природного парка, с обеспечением функционирования населенных пунктов, с производственной деятельностью собственников, владельцев и пользователей земельных участков, не изъятых из хозяйственной эксплуатации, расположенных в границах природного парка, осуществляются методами, исключающими нарушение целостности и сохранности природных комплексов и объектов природного парка.

Любительская и спортивная охота, любительское и спортивное рыболовство на территории природного парка осуществляются в соответствии с законодательством в области охоты и сохранения охотничьих ресурсов, законодательством о рыболовстве и сохранении водных биоресурсов.

Проведение мероприятий на землях лесного фонда по использованию, охране, защите и воспроизводству лесов в границах природного парка осуществляется в соответствии с лесохозяйственным регламентом Шарканского лесничества с учетом ограничений, установленных настоящим Положением.

Граждане имеют право свободно и бесплатно пребывать на всей территории природного парка (в границах всех функциональных зон) и осуществлять заготовку и сбор дикорастущих плодов, ягод, грибов, других пригодных для употребления в пищу лесных ресурсов для собственных нужд.

Проектная документация объектов, строительство, реконструкция которых на территории природного парка допускается настоящим Положением, подлежит государственной экологической экспертизе регионального уровня (за исключением объектов, расположенных в границах населенных пунктов).

(абзац введен постановлением Правительства УР от 03.04.2019 N 131)

Деятельность собственников, пользователей, владельцев и арендаторов земельных участков, не изъятых из хозяйственной эксплуатации, находящихся в границах природного парка, осуществляется в соответствии с целевым назначением земельных участков с учетом запретов и ограничений, установленных настоящим Положением.

(абзац введен постановлением Правительства УР от 03.04.2019 N 131)

Земельные участки на территории природного парка, расположенные в границах населенных пунктов (земли населенных пунктов), используются в соответствии с документами территориального планирования, градостроительного зонирования муниципальных образований, градостроительными регламентами и предоставляются физическим и юридическим лицам на праве собственности и иных прав на землю в порядке, установленном законодательством, для осуществления разрешенных правоустанавливающими документами видов деятельности, в том числе для индивидуального жилищного строительства.

(абзац введен постановлением Правительства УР от 03.04.2019 N 131)

10. На территории природного парка установлен дифференцированный режим особой охраны с учетом экологической и рекреационной ценности природных участков, согласно которому выделены следующие функциональные зоны:

10.1. Заповедная зона, предназначенная для сохранения эталонных природных сообществ в динамике их естественного развития.

Площадь заповедной зоны - 1289,92 га, в том числе площадь земель лесного фонда - 1269 га: кварталы 14 (выделы 12 - 14, 23, 24), 30 (выделы 1 - 40), 31 (выделы 1 - 35), 32 (выделы 1 - 34), 60 (выделы 1 - 24), 61 (выделы 1 - 11), 62 (выделы 1 - 25), 63 (выделы 1 - 21), 64 (выделы 1 - 15) Шарканского лесничества.

(в ред. постановления Правительства УР от 19.07.2018 N 298)

В пределах заповедной зоны запрещается любая хозяйственная деятельность и рекреационное использование территории.

Допускаются научно-исследовательская деятельность, проведение природоохранных, биотехнических и противопожарных мероприятий, при необходимости мероприятий по охране, защите, воспроизводству лесов, проведение познавательных экскурсий.

10.2. Заказная зона, предназначенная для сохранения природной среды в естественном состоянии при ограниченном хозяйственном и рекреационном использовании.

Площадь заказной зоны - 7389,90 га, в том числе площадь земель лесного фонда - 5650,7 га: кварталы 14 (выделы 15, 16, 18 - 22), 33 (выделы 1 - 31), 34 (выделы 1 - 19), 35 (выделы 11, 31, 32, 35 - 37, 44), 59 (выделы 8, 9, 17), 65 (выделы 1 - 33), 66 (выделы 1 - 26), 67 (выделы 1 - 38), 68 (выделы 1 - 24), 69 (выделы 1 - 48), 70 (выделы 1 - 29), 71 (выделы 1 - 22), 72 (выделы 1 - 58), 73 (выделы 1 - 44), 74 (выделы 1 - 17), 76 (выделы 30 - 34, 39 - 42, 44, 45), 101 (выделы 1 - 12, 20 - 25, 29 - 33, 38 - 41, 46, 51, 55, 56, 58), 102 (выделы 1 - 57), 103 (выделы 1 - 19), 104 (выделы 1 - 20), 105 (выделы 1 - 19), 106 (выделы 1 - 17), 111 (выделы 1 - 11, 13 - 49), 112 (выделы 1 - 27), 113 (выделы 1 - 21), 114 (выделы 1 - 28), 115 (выделы 1 - 27), 116 (выделы 1 - 27), 117 (выделы 1 - 39), 118 (выделы 1 - 32), 119 (выделы 1 - 24), 120 (выделы 1 - 28), 121 (выделы 1 - 6, 8 - 27), 122 (выделы 11 - 14, 35 - 45, 48 - 56), 124 (выделы 1 - 17), 125 (выделы 1 - 3, 6 - 9, 15 - 19), 148 (выделы 1, 2), 210 (выделы 23, 25, 27, 29 - 34), 213 (выделы 25, 27 - 35), 238 (выделы 1 - 33), 241 (выделы 25, 26, 31, 33, 34, 38 - 40, 45 - 47, 51, 81) Шарканского лесничества.

(в ред. постановления Правительства УР от 19.07.2018 N 298)

В пределах данной зоны ограничивается или запрещается деятельность, указанная в пункте 9 настоящего Положения.

В заказной зоне разрешается:

проведение научно-исследовательской и эколого-просветительской деятельности;

организация и обустройство экскурсионных экологических троп и маршрутов;

проведение необходимых природоохранных, биотехнических, противопожарных мероприятий;

осуществление мероприятий по охране, защите и воспроизводству лесов в соответствии с нормативами и параметрами, предусмотренными лесохозяйственным регламентом Шарканского лесничества, с учетом ограничений, установленных настоящим Положением;

любительская и спортивная охота (за исключением любительской и спортивной охоты с собаками охотничьих пород), любительское рыболовство;

деятельность, связанная с обеспечением функционирования населенных пунктов, а также производственная и хозяйственная деятельность собственников, владельцев и пользователей земельных участков, не изъятых из хозяйственной эксплуатации, расположенных в границах природного парка;

прогон и выпас домашних животных (за исключением лесов, расположенных на землях лесного фонда), сенокошение, пчеловодство;

иная деятельность, не противоречащая задачам природного парка и не влекущая за собой изменение исторически сложившегося природного ландшафта, снижение или уничтожение экологических, эстетических и рекреационных качеств природного парка.

10.3. Зона туризма и рекреации, предназначенная для обеспечения и осуществления рекреационной деятельности, развития экологического туризма, экологического просвещения, а также размещения объектов туристской индустрии, музеев, информационных центров (визит-центров).

Площадь зоны туризма и рекреации - 3071,06 га, в том числе площадь земель лесного фонда - 1102,9 га: кварталы 151 (выделы 1, 2, 8 - 13, 15, 17, 19 - 21, 24 - 30), 152 (выделы 1 - 29), 153 (выделы 1 - 18), 184 (выделы 3 - 8, 12 - 15, 22 - 33, 40, 42 - 57, 59 - 69, 73 - 77, 85 - 90, 94), 185 (выделы 1 - 43), 186 (выделы 1 - 25), 214 (выделы 1 - 3, 5 - 13, 19, 23, 32, 33, 37, 40 - 64), 215 (выделы 1 - 45), 241 (выделы 14 - 17, 22, 24, 26, 28 - 30, 32, 35 - 37, 41), 154 (выделы 11, 12, 17 - 20, 22, 23, 25 - 28, 31 - 33), 187 (выдел 26), 216 (выделы 1 - 8) Шарканского лесничества.

В пределах данной зоны ограничивается или запрещается деятельность, указанная в пункте 9 настоящего Положения.

В зоне туризма и рекреации разрешается:

размещение объектов туристской индустрии, музеев, информационных центров (визит-центров);

организация и обустройство экскурсионных экологических троп и маршрутов;

проведение научно-исследовательской и эколого-просветительской деятельности;

проведение необходимых природоохранных, биотехнических, противопожарных мероприятий;

осуществление мероприятий по охране, защите и воспроизводству лесов в соответствии с нормативами и параметрами, предусмотренными лесохозяйственным регламентом Шарканского лесничества, с учетом ограничений, установленных настоящим Положением;

любительская и спортивная охота (за исключением любительской и спортивной охоты с собаками охотничьих пород), любительское рыболовство;

деятельность, связанная с обеспечением функционирования населенных пунктов (в том числе предоставление земельных участков в границах населенных пунктов для индивидуального жилищного строительства), а также производственная и хозяйственная деятельность собственников, владельцев и пользователей земельных участков, не изъятых из хозяйственной эксплуатации, расположенных в границах природного парка; (в ред. постановления Правительства УР от 03.04.2019 N 131)

прогон и выпас домашних животных (за исключением лесов, расположенных на землях лесного фонда), сенокошение, пчеловодство;

иная деятельность, не противоречащая задачам природного парка и не влекущая за собой изменение исторически сложившегося природного ландшафта, снижение или уничтожение

экологических, эстетических и рекреационных качеств природного парка.

10.4. Зона традиционного хозяйствования, предназначенная для осуществления деятельности, направленной на обеспечение функционирования природного парка и жизнедеятельности граждан, проживающих на его территории.

Площадь зоны традиционного хозяйствования - 4815,77 га, в том числе площадь земель лесного фонда - 1010,4 га: кварталы 148 (выделы 3 - 18), 149 (выделы 1 - 42), 183 (выделы 1 - 41), 150 (выделы 1 - 38), 151 (выделы 2 - 7, 14, 16, 18, 22, 23), 184 (выделы 1, 2, 9 - 11, 16 - 21, 34 - 39, 41, 58, 70 - 72, 78 - 84, 91 - 93), 214 (выделы 4, 14 - 18, 20 - 22, 24 - 31, 34 - 36, 38 - 40), 241 (выделы 1 - 13, 18 - 21, 23, 27), 207 (выделы 1 - 23, 25 - 33, 39, 43), 210 (выделы 1 - 24, 26, 29, 33), 211 (выделы 1 - 11), 212 (выделы 1 - 29), 213 (выделы 1 - 27, 30, 34 - 37), 237 (выделы 1 - 7) Шарканского лесничества.  
(в ред. постановления Правительства УР от 19.07.2018 N 298)

В зоне традиционного хозяйствования разрешается:

любительская и спортивная охота (за исключением любительской и спортивной охоты с собаками охотничьих пород), любительское рыболовство;

научно-исследовательская и эколого-просветительская деятельность, проведение природоохранных, биотехнических, лесохозяйственных и противопожарных мероприятий;

организация и обустройство экскурсионных экологических троп и маршрутов;

размещение объектов туристской индустрии, музеев, информационных центров (визит-центров);

прогон и выпас домашних животных (за исключением лесов, расположенных на землях лесного фонда), сенокосение, пчеловодство;

деятельность, связанная с обеспечением функционирования населенных пунктов (в том числе предоставление земельных участков в границах населенных пунктов для индивидуального жилищного строительства), а также производственная и хозяйственная деятельность собственников, владельцев и пользователей земельных участков, не изъятых из хозяйственной эксплуатации, расположенных в границах природного парка;  
(в ред. постановления Правительства УР от 03.04.2019 N 131)

иная деятельность, не противоречащая задачам природного парка и не влекущая за собой изменение исторически сложившегося природного ландшафта, снижение или уничтожение экологических, эстетических и рекреационных качеств природного парка.

11. Границы функциональных зон природного парка определены в местной системе координат, принятой для Удмуртской Республики (МСК-18), и представлены в приложении 2 к настоящему Положению. Карта-схема функционального зонирования природного парка дана в приложении 3 к настоящему постановлению.

Изменение функционального зонирования территории природного парка может осуществляться только после внесения соответствующих изменений в настоящее Положение.

#### **IV. Государственный надзор в области охраны и использования территории природного парка**

12. Государственный надзор в области охраны и использования особо охраняемых природных территорий на территории природного парка осуществляется Министерством природных ресурсов и охраны окружающей среды Удмуртской Республики, а также должностными лицами бюджетного учреждения Удмуртской Республики "Природный парк "Шаркан", являющимися государственными инспекторами Удмуртской Республики в области охраны окружающей среды.
